The following is an examiner's statement of reasons for allowance: The applicant's remarks in response to the first office action show how the filter material of coconut parenchyma bound up to fibers provides unexpected results over peat for the biofiltration of water.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

A handwritten signature in black ink, appearing to be 'CU' with a stylized flourish extending to the right.
